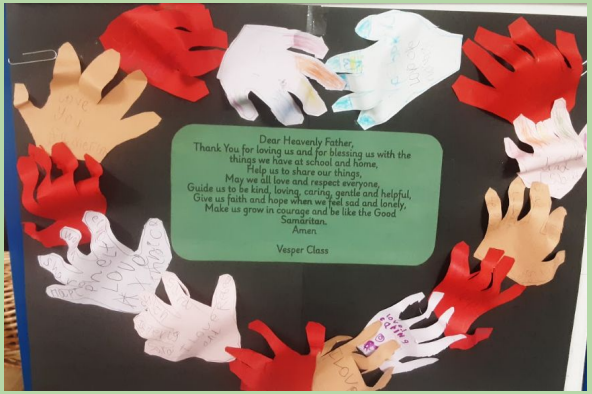
Year 1



Dear Heavenly Father,
Thank You for loving us and for blessing us with the things we have at school and home,
Help us to share our things,
May we all love and respect everyone,
Guide us to be kind, loving, caring, gentle and helpful,
Give us faith and hope when we feel sad and lonely,
Make us grow in courage and be like the Good Samaritan.
Amen.

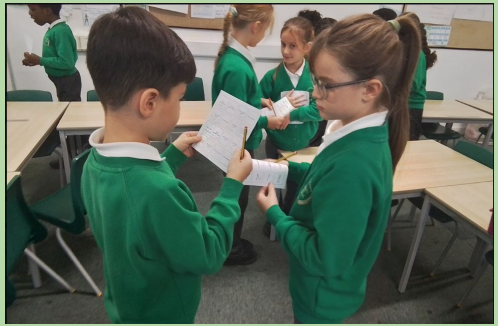
Year 2

Year 3

Celebrating and understanding differences-learning to show respect despite differences

Human Bingo -We found another pupil in the class who we have something in common with. We found out some things about our classmates we didn't know before.
British Values -we discussed why British Values are important to us and how they relate to the way Daniel behaved.
Reflection and Prayer- How do we show respect to others in our community like Daniel did?



Thursday 5th November 2026

Vision Day

We show respect to others in our community by ~~be~~ being happy that everyone is different, because if we were the same everything would be boring.
We should respect peoples privacy.
We should also be loving and kind.

~~Rd~~ Reflection ~~pray~~ prayer

Dear god, please help us to be like Daniel to follow and obbey our leaders. We will show respect and wisdom. Help us to be courageous and be kind. We will look up to our rolemodles like Daniel: ~~Amen~~ Help us to be Health and to listen to others. Amen
