Anti-bullying prayers

Heavenly Father,

Thank you for helping us to use our 'Power for Good'. Please help us be kind and not bully but to be respectful to others.

Amen

Dear Lord,

Help others when they (or us) are bullied. Forgive all those who once bullied different people. Please help us when we are a bystander no matter the gender or the difference.

Amen

Dear God,

Help us to always help others when they need help or need protection. Please help us to use our 'power for good'. Please help us to show respect and love others. Help us to have the courage to say sorry to people we have hurt.

Amen

Heavenly Father,

Thank you for guiding us to use our power for good. Help us to show kindness to the people around us and to not bully others.

Amen

Our Father,

Forgive me if I bully, and help me to use my power for good when others are in need.

Amen
