

Autumn Term 2025

Year 6

Values: Growing Together, Thankfulness, Courage and Joy.

Enrichment

Stewardship: We will take part in our Stewardship retreat day and will be holding a collective worship to the parents - Thursday 25th September

Trip to Watford Library: We will be attending a session at Watford Library where we will be promoting reading, finding out how the library works, the reading of a story and a library based activity.

Literacy

Throughout the Autumn Term, we will explore the texts: 'Flooded', 'Windrush Child', 'The Last Bear', 'Boy in the Tower', 'Romeo and Juliet' and 'The Polar Express'

Learning outcomes will include:

- Speaking and listening
- Diary entries
- Letters and persuasive writing
- Newspaper reports
- Writing in the style of an author
- Creating a mood within writing

Mathematics

This term we will focus on consolidating our prior mathematical knowledge and deepening our learning with the following topics:

- Place value and rounding of large numbers
- Interpreting negative numbers
- Place value of numbers with up to three decimal places
- Multiply and divide by 10, 100 and 1,000
- Properties of number (multiples, factors and common factors)
- Prime and composite numbers
- Multiply and divide mentally
- Solving word problems
- Add and subtract using a range of strategies
- Fractions

R.E.

During this term we will explore the ideas of God and Incarnation. We will study ideas of God in world religions, and take a deeper dive into the miracle of Christmas.

Computing

We will be continuing to learn the importance of algorithms and how they can be used to help us. We will also look into how AI works and how we can use it in our work.

Science

As Scientists, we will be exploring how to classify living things, discovering different systems to organise and classify organisms. We will also be exploring light and reflections using different surfaces and light sources.

Art & D.T.

In D.T. will be designing our own multifunctional navigation tool.

In Art we will be developing our drawing skills to express our own views based on a given stimulus

Humanities

History: We will learn about the impact of World War 2 on the people of Britain.

Geography: We will focus on why does population change.

P.E.

In P.E. in Autumn term we will cover 4 disciplines. We will learn techniques and strategy in the following sports: dance, fitness, hockey and basketball.

PSHE: Being Me in My World: Looking at the year ahead, our responsibilities, rewards and consequences discussion (at home and school.)

Music: Swing music, syncopation, swing rhythm, big band instruments, scat singing

Spanish: Ricitos de Oro y los tres osos (Goldilocks and the three bears)
